Additional Information to ECTS

ECTS is a standardized system of credit transfer developed by the European Commission and designed to ease the accreditation of studies completed at a partner university abroad by the home university.

A learning agreement will give the student the advantage that their intended study program at the receiving institution and the accreditation of this program by the sending institution is guaranteed in advance.

Maximum amount of ECTS credits:

Per full academic year:	60
Per semester:	30
Per trimester:	20
