INFORMATION SHEET – ENGLISH PROFICIENCY

Information on the language requirements for admission to the Bachelor's degree programmes in Sustainable Business and Law (B.A.), Sustainable Business and Technology (B.Eng.), and to the 'Sustainable Business and Law' Study Exchange Programme at the Umwelt-Campus Birkenfeld, Trier University of Applied Sciences

Applicants for the above-mentioned degree programmes must demonstrate English language proficiency at CEFR Level B2 for admission, as the majority of modules and examinations are conducted in English.
Proof of sufficient English language proficiency is provided, in particular, by a recognised language test such as:

01	**TOEFL® Test (iBT 72)** TOEFL is a registered trademarks of ETS in the United States and other countries.
02	**TOEIC® Test (Listening and Reading 785+ Speaking 160 + Writing 150)**
03	**IELTS (band 5.5)**
04	**Cambridge First Certificate in English + Grade B or C (FCE)**
05	**B2 Certificate English of the Language Test Centre of Trier University**

Please note:

For applicants whose mother tongue is German, proof of English language proficiency may also be provided by their Abitur certificate, provided that they achieved an average of at least 10 out of 15 marks in Advanced English or at least 11 out of 15 marks in Basic English over the last two school years.

Applicants are not required to provide the necessary proof of English language proficiency if their mother tongue is English, or if they have successfully completed the school education required for admission to the degree programme mentioned here in countries where English is the official language and the language of instruction.

Notwithstanding this, the provisions of the respective cooperation agreement apply to proof of language proficiency in the Bachelor's dual-degree programmes.

Important notice:

The information provided above is intended as a simplified summary of the English language requirements for admission and is based on the applicable Examinsation Regulations (Prüfungsordnung) for the respective study programme and the Enrolment Regulations (Einschreibeordnung) of Trier University of Applied Sciences. It is provided for guidance purpose only. In the event of any discrepancies or inconsistencies , the official regulations shall prevail.
